

Ignacio Tupacyupanqui

**President - International
REIT's CMBS Director**

Ignacio serves as President and CEO of Brickell Global.

Ignacio brings ten years of residential and commercial real estate experience to Brickell Global. Ignacio is instrumental in establishing policies and procedures that were the foundation of Brickell Global commercial merger and acquisition division.

Ignacio began his career in residential and commercial real estate several years ago. Ignacio has worked for several well known real estate firms in Miami. Ignacio is very versatile in Commercial and Residential Real Estate, Short Sale, REO, Finance and Mortgage, Distressed Assets, Allocations, Property Management and Securitization.

Ignacio holds a Master of Science in International Real Estate from Florida International University. He holds a Bachelor of Science degree in International Finance & Marketing from The University of Miami.

Ignacio's primary role is to direct and oversee all operations that pertain to Brickell Global expansion.
